

Thank You, Cleveland County

When the going gets tough, the tough get going. Once again, our folks in Cleveland County have shown that they will respond in a very positive manner as is evidenced by our United Way campaign this year.

In spite of the economic conditions, our people have responded well. Thank you Cleveland County for all of your efforts to help our United Way agencies meet the needs in our community.

Dr. George Litton
Chairman, United Way Campaign
2009/2010
